

Dear Commemorative Partners

The Congressional Ceremony is right around the corner! Just four days after we, as a nation, celebrate our independence, this milestone event will occur in the nation's capital. Two weeks ago, we alerted you that the Office of the Speaker of the House issued a [press release](#) announcing a ceremony commemorating the 50th anniversary of the Vietnam War. As a reminder, this ceremony is scheduled for Wednesday, July 8, 2015 at 3:00 p.m. in Emancipation Hall of the United States Capitol Visitor Center.

The ceremony is a ticketed event for Vietnam veterans and their families. While **invitations have already been distributed**, this event will be **streamed live** around the world from the Office of the Speaker of the House.

Join us via the Internet (see below)! **Collaborate** with other **Commemorative Partners** (CP) to make this a shared event in your hometowns. **Invite Vietnam veterans and their families** in your local communities to view this commemorative

event together as our nation's leaders thank and honor them for their service and sacrifice. Then, take time to honor them locally following the Congressional Ceremony.

The United States of America Congressional Ceremony
